

## UPCOMING CHANGES TO REAL PROPERTY APPRAISER QUALIFICATIONS

On December 9, 2011, the Appraiser Qualifications Board of The Appraisal Foundation adopted changes to the *Real Property Appraiser Qualification Criteria* that will become effective January 1, 2015. These changes represent minimum national requirements that each state must implement no later than January 1, 2015.

### OVERVIEW OF CHANGES

<p><b>National Uniform Licensing and Certification Examinations</b></p>	<p>Education <u>and</u> experience must be completed prior to taking the AQB-approved <i>National Uniform Licensing and Certification Examination</i>.</p>
<p><b>Background Checks</b></p>	<p>All candidates for a real property appraiser credential must undergo background screening. State appraiser regulatory agencies are <i>strongly</i> encouraged to perform background checks on <i>existing</i> credential holders as well.</p>
<p><b>College Degree Acceptance and Core Curriculum Requirements</b></p>	<p>Credit towards qualifying education requirements may be obtained via the completion of a degree program in Real Estate from an accredited degree-granting college or university provided the college or university has had its curriculum reviewed and approved by the AQB.</p>
<p><b>Deletion of the Segmented Approach to Criteria Implementation</b></p>	<p>States had the option to implement the 2008 <i>Real Property Appraiser Qualification Criteria</i> via the “segmented approach.” This implementation option will no longer be valid effective January 1, 2015.</p>
<p><b>Restriction on Continuing Education Course Offerings</b></p>	<p>Aside from complying with the requirements to complete the <i>7-Hour National USPAP Update Course</i> (or its AQB-approved equivalent), appraisers may not receive credit for completion of the same continuing education course offering within an appraiser’s continuing education cycle.</p>
<p><b>Distance Education Requirements</b></p>	<p>A <i>written, proctored</i> examination is required for all qualifying education distance course offerings. The term <i>written</i> refers to an examination that might be written on paper or administered electronically on a computer workstation or other device.</p>
<p><b>Revisions to Subtopics in Guide Note 1 (GN-1) and Continuing Education Topics</b></p>	<p>Added topics on green building (qualifying and continuing education), seller concessions (qualifying and continuing education) and developing opinions of real property value in appraisals that also include personal property and/or business value (continuing education only).</p>

Or some states may require appraisers seeking to change their credential level to meet all of the 2015 Criteria prior to obtaining the new credential). **Credentialed appraisers are urged to contact the applicable state appraiser regulatory agencies if they are contemplating relocation or changing credential levels.**
