

**STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS  
DEPARTMENT OF BUSINESS REGULATION  
INSURANCE DIVISION**

**APPLICATION FOR A RHODE ISLAND CERTIFICATE OF AUTHORITY  
FOREIGN LIFE & HEALTH OR PROPERTY & CASUALTY COMPANY**

---

Rhode Island has adopted the National Association of Insurance Commissioners' Uniform Certificate of Authority Application (NAIC UCAA) for foreign Life and Health (L&H), Title and Property and Casualty (P&C) insurance companies.

Foreign company applications are accepted, reviewed, and processed pursuant to R.I. Insurance Regulation 30. Applications are reviewed in chronological order, based on their date of receipt. In addition to a non-refundable \$1,200 fee due at time of application, upon the completion of the analysis, the applicant will be invoiced for the actual time incurred in conducting the analysis in accordance with the expense calculation for examinations under RI General Law 27-13.1-7(a)(1).

Beginning on June 1, 2008, the Division will no longer accept applications in hard copy. Please submit the application along with all pertinent attachments and related documents in .PDF format on CD or DVD arranged and separated in accordance with the application table of contents numbered 1 thru 14. Please note that items 1, 6, 11 and 12 require multiple filings. Those items must be broken out and labeled separately, not submitted as one whole file. The only hard copy items should be the company's required cover letter and check for the \$1,200 New Application Fee. Electronic and non-electronic UCAA Expansion filings not properly arranged will be returned to the company for correction.

**Foreign L&H, Title or P&C insurance companies contemplating applying for a R.I. Certificate of Authority should familiarize themselves with the following items:**

***RI Regulation 30*** (available online at [http://www.dbr.ri.gov/documents/rules/insurance/Insurance\\_Regulation\\_30.pdf](http://www.dbr.ri.gov/documents/rules/insurance/Insurance_Regulation_30.pdf))

Regulation 30 sets forth the standards for any Foreign L&H, Title or P&C insurance company seeking to be licensed to transact business in RI. Regulation 30 also indicates the conditions for consideration for licensure, filing requirements, and some of the procedures that we will follow in our review of a company's application.

***NAIC UCAA Expansion Application*** (available online at [http://www.naic.org/industry\\_ucaa\\_expansion.htm](http://www.naic.org/industry_ucaa_expansion.htm))

Pursuant to Regulation 30, as amended effective December 19, 2001, applications for a RI Certificate of Authority must follow the standards established by the NAIC UCAA. A Foreign L&H Title or P&C insurance company must use the Expansion Application.

***Rhode Island State Specific Information***

The following RI specific items have been excerpted from both Regulation 30 and the NAIC UCAA Expansion Application. These RI specific items are in addition to the general items that apply to an application to any state.

**• Filing Fee**

Rhode Island General Law (R.I.G.L.) Chapter 27-2.1 mandates a non-refundable application fee of \$1,200 for new foreign company applications. That check should be made payable to the R.I. General Treasurer and should be submitted with the application.

*(Revised 1/16/14)*

- **Application for a RI Certificate of Authority - Life and Health, Title or Property and Casualty**

Upon the completion of the analysis, the applicant will be invoiced for the actual time incurred in conducting the analysis in accordance with the expense calculation for examinations under RI General Law 27-13.1-7(a)(1).

*Note:* Pursuant to R.I.G.L. §27-2-17(a), these fees are subject to retaliation if the company's state of domicile would charge a R.I. insurance company a higher fee.

- **Minimum Capital and Surplus Requirements**

R.I.G.L. §27-2-5 stipulates that a foreign stock L&H or P&C company have at least \$1,000,000 of paid-in capital stock and \$2,000,000 of surplus; and that a foreign mutual L&H or P&C company must have at least \$3,000,000 of total surplus.

- **Statutory Deposit Requirements**

R.I.G.L. §27-2-6 stipulates that a foreign L&H or P&C company maintain a deposit with a minimum market value of \$100,000 in its state of domicile for the benefit of all policyholders. A certified copy of the company's domestic deposit must be submitted with the company's application.

R.I.G.L. §27-2-6.1 authorizes the insurance commissioner, at his or her discretion, to require an additional special deposit for the benefit of all R.I. policyholders as a condition to licensing.

Pursuant to R.I.G.L. §27-2-17(a), such deposits are subject to retaliation if the company's state of domicile would require a like RI company to have a larger deposit. In the event that a retaliatory deposit or a special deposit is required, we would advise you of the amount required and provide routing details at that time.

- **Name Approval**

Rhode Island does not reserve names. Generally, we will rely on the domestic state insurance department/division's acceptance of a company's name. However, we will not approve an application from a company whose name is the same as or similar to a company already licensed in this state, nor will we approve an application from a company whose name, in our estimation, would tend to create confusion in the minds of policyholders.

- **Business Plan**

The detailed Business Plan must include direct written premium and loss projections for a P&C company, or direct paid premium projections for L&H and Title companies, for RI business for each of the next three years. That Business Plan must be certified by the company's Corporate Secretary.

- **Reports of Examination**

The company must submit a copy of the most recent Financial Examination and Market Conduct Examination Reports, currently certified by its domestic insurance department/division as the most recent Examination Report of either type. We prefer that the published date of the Financial Examination Report be no more than three years prior to the date of the application, but if the domestic department/division has not completed a Financial Examination within the last three years, consideration will be given to an older Financial Examination Report.
