

INSURANCE PRODUCER PRE-LICENSING COURSE PROVIDE LIST  
(Requirement for Rhode Island Residents)

The list below contains pre-licensing course providers approved by the Department of Business Regulation (“Department”). These pre-licensing courses are offered to the general public and are a prerequisite for all Rhode Island residents applying for an Insurance Producer license. This list is provided solely for informational purposes. You must contact the providers directly for information relating to any pre-licensing course. The appropriate pre-licensing course(s) must be completed *prior* to application and examination, as the Department **will not** issue an Insurance Producer license until this requirement has been satisfied.

The Rhode Island Department of Business Regulation does not make any warranties concerning the information provided by the pre-licensing providers. The Department specifically disclaims any implied warranty of merchantability, fitness for a particular purpose and non-infringement with respect to the information provided. Any inaccurate or incomplete information, discrepancies and update to the information should be reported in writing to the Department.
