**UNINSURED MOTORIST BODILY INJURY**  
**\* REJECTION NOTICE AND WARNING \***

**THE LAW REQUIRES YOU TO READ THIS NOTICE FOR YOUR INFORMATION**

In order to make sure that you are aware of the risks of going without uninsured/underinsured motorist bodily injury coverage, the State of Rhode Island **requires** your insurance producer or insurance company to obtain your signature showing that you have read this document and understand this warning, **before** they are allowed to sell you automobile insurance without uninsured/underinsured motorist bodily injury coverage. **IF YOU CHOOSE NOT TO BUY UNINSURED/UNDERINSURED MOTORIST BODILY INJURY COVERAGE YOU MIGHT HAVE NO AUTOMOBILE INSURANCE COVERAGE FOR YOUR OWN INJURIES IF YOU ARE HIT BY AN UNINSURED MOTORIST.** Many motorists will ignore mandatory auto insurance laws, and many motorists passing through from another state will not have insurance. Most uninsured/underinsured motorists do not have assets or money to pay you for your injuries, even if you win a lawsuit against them. Uninsured/underinsured motorist bodily injury (UMBI) coverage may be your only protection.

**The Department of Business Regulation of the State of Rhode Island STRONGLY RECOMMENDS that most motorists obtain uninsured/underinsured motorists bodily injury coverage as part of their automobile insurance package.**

I have read and I understand this, and I choose not to buy uninsured/underinsured motorist coverage.
