## **Auto Body Labor Rate Survey**

### **Insurers and Groups Which Must Participate in 2013 Survey**

The following insurers and insurance groups have been determined to meet the criteria in Insurance Regulation 108, i.e. greater than 1% market share, which requires compliance with the regulation in calendar year 2013. The determination was made based upon 2012 calendar year premium data as reported to the Department through the National Association of Insurance Commissioners.

Each insurer and insurance group listed below must, prior to June 1, 2013, send questionnaires to the Fully Licensed Auto Body Repair Facilities listed in the chart posted on the Department website adjacent to this bulletin. Insurers may satisfy the requirements of the regulation by sending questionnaires and submitting the report on a group basis. If the insurance group does not comply with the regulation it is the responsibility of the individual insurers to do so. Please refer to Insurance Regulation 108 for complete information on compliance. Each insurer and insurance group listed below must email a report to [DBR.specialreports@dbr.ri.gov](mailto:DBR.specialreports@dbr.ri.gov) not later than September 1, 2013. Hard copies are NO longer required to be submitted.
