Included in such notice shall be the rating assigned the certified reinsurer in accordance with Subsection A of this section. The commissioner shall publish a list of all certified reinsurers and their ratings.

(3) In order to be eligible for certification, the assuming insurer shall meet the following requirements:

(a) The assuming insurer must be domiciled and licensed to transact insurance or reinsurance in a Qualified Jurisdiction, as determined by the commissioner pursuant to Subsection C of this section.

(b) The assuming insurer must maintain capital and surplus, or its equivalent, of no less than two hundred and fifty million dollars.
($250,000,000) calculated in accordance with Subparagraph (4)(h) of this subsection. This requirement may also be satisfied by an association including incorporated and individual unincorporated underwriters having minimum capital and surplus equivalents (net of liabilities) of at least two hundred and fifty million dollars ($250,000,000) and a central fund containing a balance of at least two hundred and fifty million dollars ($250,000,000).

(c) The assuming insurer must maintain financial strength ratings from two or more rating agencies deemed acceptable by the commissioner. These ratings shall be based on interactive communication between the rating agency and the assuming insurer and shall not be based solely on publicly available information. These financial strength ratings will be one factor used by the commissioner in determining the rating that is assigned to the assuming insurer. Acceptable rating agencies include the following:

(i) Standard & Poor’s;
(ii) Moody’s Investors Service;
(iii) Fitch Ratings;
(iv) A.M. Best Company; or
(v) Any other Nationally Recognized Statistical Rating Organization.

(d) The certified reinsurer must comply with any other requirements reasonably imposed by the commissioner.

(4) Each certified reinsurer shall be rated on a legal entity basis, with due consideration being given to the group rating where appropriate, except that an association including incorporated and individual unincorporated underwriters that has been approved to do business as a single certified reinsurer may be evaluated on the basis of its group rating. Factors that may be considered as part of the evaluation process include, but are not limited to, the following:

(a) The certified reinsurer’s financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. The commissioner shall use the lowest financial strength rating received from an approved rating agency in establishing the maximum rating of a certified reinsurer. A failure to obtain or maintain at least two financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification:

c) For certified reinsurers domiciled in the U.S., a review of the most recent applicable NAIC Annual Statement Blank, either Schedule F (for property/casualty reinsurers) or Schedule S (for life and health reinsurers);

d) For certified reinsurers not domiciled in the U.S., a review annually of Form CR-F (for property/casualty reinsurers) or Form CR-S (for life and health reinsurers) (attached as exhibits to this regulation);

e) The reputation of the certified reinsurer for prompt payment of claims under reinsurance agreements, based on an analysis of ceding insurers’ Schedule F reporting of overdue reinsurance recoverables, including the proportion of obligations that are more than ninety (90) days past due or are in dispute, with specific attention given to obligations payable to companies that are in administrative supervision or receivership;

(f) Regulatory actions against the certified reinsurer;
(g) The report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in paragraph (h) below;

(h) For certified reinsurers not domiciled in the U.S., audited financial statements (audited U.S. GAAP basis if available, audited IFRS basis statements are allowed but must include an audited footnote reconciling equity and net income to a U.S. GAAP basis, or, with the permission of the state insurance commissioner, audited IFRS statements with reconciliation to U.S. GAAP certified by an officer of the company), regulatory filings, and actuarial opinion (as filed with the non-U.S. jurisdiction supervisor). Upon the initial application for certification, the commissioner will consider audited financial statements for the last three (3) years filed with its non-U.S. jurisdiction supervisor;

(i) The liquidation priority of obligations to a ceding insurer in the certified reinsurer’s domiciliary jurisdiction in the context of an insolvency proceeding;

(j) A certified reinsurer’s participation in any solvent scheme of arrangement, or similar procedure, which involves U.S. ceding insurers. The commissioner shall receive prior notice from a certified reinsurer that proposes participation by the certified reinsurer in a solvent scheme of arrangement; and

(k) Any other information deemed relevant by the commissioner.

(5) Based on the analysis conducted under Subparagraph (4)(e) of a certified reinsurer’s reputation for prompt payment of claims, the commissioner may make appropriate adjustments in the security the certified reinsurer is required to post to protect its liabilities to U.S. ceding insurers, provided that the commissioner shall, at a minimum, increase the security the certified reinsurer is required to post by one rating level under Subparagraph (4)(a) if the commissioner finds that:

(a) more than fifteen percent (15%) of the certified reinsurer’s ceding insurance clients have overdue reinsurance recoverables on paid losses of ninety (90) days or more which are not in dispute and which exceed one hundred thousand dollars ($100,000) for each cedent; or

(b) the aggregate amount of reinsurance recoverables on paid losses which are not in dispute that are overdue by ninety (90) days or more exceeds fifty million dollars ($50,000,000).
(6) The assuming insurer must submit a properly executed Form CR-1 (attached as an exhibit to this regulation) as evidence of its submission to the jurisdiction of this state, appointment of the commissioner as an agent for service of process in this state, and agreement to provide security for one hundred percent (100%) of the assuming insurer’s liabilities attributable to reinsurance ceded by U.S. ceding insurers if it resists enforcement of a final U.S. judgment. The commissioner shall not certify any assuming insurer that is domiciled in a jurisdiction that the commissioner has determined does not adequately and promptly enforce final U.S. judgments or arbitration awards.

(7) The certified reinsurer must agree to meet applicable information filing requirements as determined by the commissioner, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers which are not otherwise public information subject to disclosure shall be exempted from disclosure under R.I. Gen. Laws § 38-2-2 and shall be withheld from public disclosure. The applicable information filing requirements are, as follows:

(a) Notification within ten (10) days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefore;

(b) Annually, Form CR-F or CR-S, as applicable [per the instructions to be developed as an exhibit to this model];

(c) Annually, the report of the independent auditor on the financial statements of the insurance enterprise, on the basis described in Subsection (d) below;

(d) Annually, audited financial statements (audited U.S. GAAP basis if available, audited IFRS basis statements are allowed but must include an audited footnote reconciling equity and net income to a U.S. GAAP basis, or, with the permission of the state insurance commissioner, audited IFRS statements with reconciliation to U.S. GAAP certified by an officer of the company), regulatory filings, and actuarial opinion (as filed with the certified reinsurer’s supervisor). Upon the initial certification, audited financial statements for the last three (3) years filed with the certified reinsurer’s supervisor;
(e) At least annually, an updated list of all disputed and overdue reinsurance claims regarding reinsurance assumed from U.S. domestic ceding insurers;

(f) A certification from the certified reinsurer’s domestic regulator that the certified reinsurer is in good standing and maintains capital in excess of the jurisdiction’s highest regulatory action level; and

(g) Any other information that the commissioner may reasonably require.

(8) Change in Rating or Revocation of Certification.

(a) In the case of a downgrade by a rating agency or other disqualifying circumstance, the commissioner shall upon written notice assign a new rating to the certified reinsurer in accordance with the requirements of Subparagraph (4)(a).

(b) The commissioner shall have the authority to suspend, revoke, or otherwise modify a certified reinsurer’s certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this section, or if other financial or operating results of the certified reinsurer, or documented significant delays in payment by the certified reinsurer, lead the commissioner to reconsider the certified reinsurer’s ability or willingness to meet its contractual obligations.

(c) If the rating of a certified reinsurer is upgraded by the commissioner, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the commissioner shall require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the commissioner, the commissioner shall require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer.

(d) Upon revocation of the certification of a certified reinsurer by the commissioner, the assuming insurer shall be required to post security in accordance with Section 10 in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with Section 7, the commissioner may allow additional credit equal to the ceding insurer’s pro rata share of such funds, discounted to reflect the risk of uncollectibility and anticipated
expenses of trust administration. Notwithstanding the change of a certified reinsurer’s rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer may not be denied credit for reinsurance for a period of three (3) months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the commissioner to be at high risk of uncollectibility.

C. Qualified Jurisdictions.

(1) If, upon conducting an evaluation under this section with respect to the reinsurance supervisory system of any non-U.S. assuming insurer, the commissioner determines that the jurisdiction qualifies to be recognized as a qualified jurisdiction, the commissioner shall publish notice and evidence of such recognition in an appropriate manner. The commissioner may establish a procedure to withdraw recognition of those jurisdictions that are no longer qualified.

(2) In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the commissioner shall evaluate the reinsurance supervisory system of the non-U.S. jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the U.S. The commissioner shall determine the appropriate approach for evaluating the qualifications of such jurisdictions, and create and publish a list of jurisdictions whose reinsurers may be approved by the commissioner as eligible for certification. A qualified jurisdiction must agree to share information and cooperate with the commissioner with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the commissioner, include but are not limited to the following:

(a) The framework under which the assuming insurer is regulated.

(b) The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance.

(c) The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction.

(d) The form and substance of financial reports required to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used.
(e) The domiciliary regulator’s willingness to cooperate with U.S. regulators in general and the commissioner in particular.

(f) The history of performance by assuming insurers in the domiciliary jurisdiction.

(g) Any documented evidence of substantial problems with the enforcement of final U.S. judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the commissioner has determined that it does not adequately and promptly enforce final U.S. judgments or arbitration awards.

(h) Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization.

(i) Any other matters deemed relevant by the commissioner.

(3) A list of qualified jurisdictions shall be published through the NAIC Committee Process. The commissioner shall consider this list in determining qualified jurisdictions. If the commissioner approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the commissioner shall provide thoroughly documented justification with respect to the criteria provided under Subsections 8.C(2)(a) to (i).

(4) U.S. jurisdictions that meet the requirements for accreditation under the NAIC financial standards and accreditation program shall be recognized as qualified jurisdictions.

D. Recognition of Certification Issued by an NAIC Accredited Jurisdiction.

(1) If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the commissioner has the discretion to defer to that jurisdiction’s certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed Form CR-1 and such additional information as the commissioner requires. The assuming insurer shall be considered to be a certified reinsurer in this State.

(2) Any change in the certified reinsurer’s status or rating in the other jurisdiction shall apply automatically in this State as of the date it takes effect in the other jurisdiction. The certified reinsurer shall notify the commissioner of any change in its status or rating within 10 days after receiving notice of the change.
(3) The commissioner may withdraw recognition of the other jurisdiction’s rating at any time and assign a new rating in accordance with Subparagraph B(7)(a) of this section.

(4) The commissioner may withdraw recognition of the other jurisdiction’s certification at any time, with written notice to the certified reinsurer. Unless the commissioner suspends or revokes the certified reinsurer’s certification in accordance with Subparagraph B(7)(b) of this section, the certified reinsurer’s certification shall remain in good standing in this State for a period of three (3) months, which shall be extended if additional time is necessary to consider the assuming insurer’s application for certification in this State.

E. Mandatory Funding Clause. In addition to the clauses required under Section 14, reinsurance contracts entered into or renewed under this section shall include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this section for reinsurance ceded to the certified reinsurer.

F. The commissioner shall comply with all reporting and notification requirements that may be established by the NAIC with respect to certified reinsurers and qualified jurisdictions.

Section 9 Credit for Reinsurance Required by Law

Pursuant to R.I. Gen. Laws § 27-1.1-1(Fg), the commissioner shall allow credit for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of R.I. Gen. Laws § 27-1.1-1(c) through (f) but only as to the insurance of risks located in jurisdictions where such reinsurance is required by the applicable law or regulation of that jurisdiction. As used in this section, "jurisdiction" means any state, district or territory of the United States and any lawful national government.

Section 10 Asset or Reduction from Liability for Reinsurance Ceded to an Unauthorized Assuming Insurer not Meeting the Requirements of Sections 4 Through 8

A. Pursuant to R.I. Gen. Laws § 27-1.1-2, the Commissioner shall allow a reduction from liability for reinsurance ceded by a domestic insurer to an assuming insurer not meeting the requirements of R.I. Gen. Laws § 27-1.1-1 in an amount not exceeding the liabilities carried by the ceding insurer. Such reduction shall be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the exclusive benefit of the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of obligations thereunder. Such security must be held in the United States subject to withdrawal solely by, and under the exclusive control
of, the ceding insurer or its liquidator, rehabilitator, or statutory successor or, in
the case of a trust, held in a qualified United States financial institution as defined
in R.I. Gen. Laws § 27-1.1-3(b). This security may be in the form of any of the
following:

A(1). Cash;

B(2). Securities listed by the Securities Valuation Office of the NAIC, including
those deemed exempt from filing as defined by the Purposes and
Procedures Manual of the Securities Valuation Office, and qualifying as
admitted assets;

C(3). Clean, irrevocable, unconditional and "evergreen" letters of credit issued
or confirmed by a qualified United States financial institution, as defined
in R.I. Gen. Laws § 27-1.1-3(a), effective no later than December 31 of
the year for which filing is being made, and in the possession of, or in trust
for, the ceding company insurer on or before the filing date of its annual
statement. Letters of credit meeting applicable standards of issuer
acceptability as of the dates of their issuance (or confirmation) shall,
notwithstanding the issuing (or confirming) institution's subsequent failure
to meet applicable standards of issuer acceptability, continue to be
acceptable as security until their expiration, extension, renewal,
modification or amendment, whichever first occurs;

D(4). Any other form of security acceptable to the commissioner.

B. An admitted asset or a reduction from liability for reinsurance
ceded to an unauthorized assuming insurer pursuant to Sections
10(A) through (C) of this Regulation shall be allowed only when the
requirements of Section 14 and the applicable portions of Sections 11, 12,
or 13 of this Regulation have been satisfied.

Section 11  Trust Agreements Qualified under Section 10

A. As used in this Section:

(1) "Beneficiary" means the entity for whose sole benefit the trust has
been established and any successor of the beneficiary by operation
of law. If a court of law appoints a successor in interest to the
named beneficiary, then the named beneficiary includes and is
limited to the court appointed domiciliary receiver (including
conservator, rehabilitator or liquidator). The trust agreement shall
contain a provision that includes within the term beneficiary any
successor of the beneficiary by operation of law, including without
limitation, domiciliary receiver conservator, rehabilitator or
liquidator. When established in conjunction with a reinsurance
contract, the beneficiary is the licensed ceding insurer and its successor by operation of law, including without limitation, domiciliary receiver conservator, rehabilitator or liquidator.

(2) "Grantor" means the entity that has established a trust for the sole benefit of the beneficiary. When established in conjunction with a reinsurance agreement, the grantor is the unlicensed, unaccredited assuming insurer.

(3) "Obligations," as used in Section 11(B)(11), means:

(a) Reinsured losses and allocated loss expenses paid by the ceding company, but not recovered from the assuming insurer;

(b) Reserves for reinsured losses reported and outstanding;

(c) Reserves for reinsured losses incurred but not reported; and

(d) Reserves for allocated reinsured loss expenses and unearned premiums.

B. Required conditions.

(1) The trust agreement shall be entered into between the beneficiary, the grantor and a trustee which shall be a qualified United States financial institution as defined in R.I. Gen. Laws § 27-1.1-3(b).

(2) The trust agreement shall create a trust account into which assets shall be deposited.

(3) All assets in the trust account shall be held by the trustee at the trustee's office in the United States, except that a bank may apply for the Commissioner's permission to use a foreign branch office of such bank as trustee for trust agreements established pursuant to this section. If the Commissioner approves the use of such foreign branch office as trustee, then its use must be approved by the beneficiary in writing and the trust agreement must provide that the written notice described in Section 11(B)(4)(a) below must also be presentable, as a matter of legal right, at the trustee's principal office in the United States.

(4) The trust agreement shall provide that:

(a) The beneficiary shall have the right to withdraw assets from the trust account at any time, without notice to the
grantor, subject only to written notice from the beneficiary to the trustee;

(b) No other statement or document is required to be presented in order to withdraw assets, except that the beneficiary may be required to acknowledge receipt of withdrawn assets;

(c) It is not subject to any conditions or qualifications outside of the trust agreement; and

(d) It shall not contain references to any other agreements or documents except as provided for under Section 11(B) in paragraphs (11) and (12) below of this subsection.

(5) The trust agreement shall be established for the sole benefit of the beneficiary.

(6) The trust agreement shall require the trustee to:

(a) Receive assets and hold all assets in a safe place;

(b) Determine that all assets are in such form that the beneficiary, or the trustee upon direction by the beneficiary, may whenever necessary negotiate any such assets, without consent or signature from the grantor or any other person or entity;

(c) Furnish to the grantor and the beneficiary a statement of all assets in the trust account upon its inception and at intervals no less frequent than the end of each calendar quarter;

(d) Notify the grantor and the beneficiary within ten (10) days, of any deposits to or withdrawals from the trust account;

(e) Upon written demand of the beneficiary, immediately take any and all steps necessary to transfer absolutely and unequivocally all right, title and interest in the assets held in the trust account to the beneficiary and deliver physical custody of the assets to the beneficiary; and

(f) Allow no substitutions or withdrawals of assets from the trust account, except on written instructions from the beneficiary, except that the trustee may, without the consent of but with notice to the beneficiary, upon call or maturity of any trust asset, withdraw such asset upon condition that the proceeds are paid into the trust account.
(7) The trust agreement shall provide that at least thirty (30) days, but not more than forty-five (45) days prior to termination of the trust account, for delivery of written notification of termination shall be delivered by the trustee to the beneficiary.

(8) The trust agreement shall be made subject to and governed by the laws of Rhode Island, the state in which the trust is domiciled.

(9) The trust agreement shall prohibit invasion of the trust corpus for the purpose of paying compensation commission to, or reimbursing the expenses of, the trustee. In order for a letter of credit to qualify as an asset of the trust, the trustee shall have the right and the obligation pursuant to the deed of trust or some other binding agreement (as duly approved by the commissioner), to immediately draw down the full amount of the letter of credit and hold the proceeds in trust for the beneficiaries of the trust if the letter of credit will otherwise expire without being renewed or replaced.

(10) The trust agreement shall provide that the trustee shall be liable for its own negligence, willful misconduct or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances where such draw would be required shall be deemed to be negligence and/or willful misconduct.

(11) Notwithstanding other provisions of this Regulation, when a trust agreement is established in conjunction with a reinsurance agreement covering risks other than life, annuities and accident and health, where it is customary practice to provide a trust agreement for a specific purpose, such the trust agreement may, notwithstanding any other conditions in this Regulation, provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:

(a) To pay or reimburse the ceding insurer for the assuming insurer's share under the specific reinsurance agreement regarding any losses and allocated loss expenses paid by the ceding insurer, but not recovered from the assuming insurer, or for unearned premiums due to the ceding insurer if not otherwise paid by the assuming insurer;

(b) To make payment to the assuming insurer of any amounts held in the trust account that exceed one hundred two
percent (102%) of the actual amount required to fund the assuming insurer's obligations under the specific reinsurance agreement; or

(c) Where the ceding insurer has received notification of termination of the trust account and where the assuming insurer's entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the obligations and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified United States financial institution as defined in R.I. Gen. Laws § 27-1.1-3(b) apart from its general assets, in trust for such uses and purposes specified in subparagraphs (a) and (b) above as may remain executory after such withdrawal and for any period after the termination date.

(12) The reinsurance agreement entered into in conjunction with the trust agreement may, but need not, contain the provisions required by Section 11(D)(1)(b), so long as these required conditions are included in the trust agreement. Notwithstanding other provisions of this regulation, when a trust agreement is established to meet the requirements of Section 10 in conjunction with a reinsurance agreement covering life, annuities or accident and health risks, where it is customary to provide a trust agreement for a specific purpose, the trust agreement may provide that the ceding insurer shall undertake to use and apply amounts drawn upon the trust account, without diminution because of the insolvency of the ceding insurer or the assuming insurer, only for the following purposes:

(a) To pay or reimburse the ceding insurer for:

(i) The assuming insurer’s share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of the policies; and

(ii) The assuming insurer’s share under the specific reinsurance agreement of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurer, under the
terms and provisions of the policies reinsured under the reinsurance agreement;

(b) To pay to the assuming insurer amounts held in the trust account in excess of the amount necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer; or

(c) Where the ceding insurer has received notification of termination of the trust and where the assuming insurer’s entire obligations under the specific reinsurance agreement remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the assuming insurer’s share of liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer, and deposit those amounts in a separate account, in the name of the ceding insurer in any qualified U.S. financial institution apart from its general assets, in trust for the uses and purposes specified in Subparagraphs (a) and (b) of this paragraph as may remain executory after withdrawal and for any period after the termination date.

(13) Either the reinsurance agreement or the trust agreement must stipulate that assets deposited in the trust account shall be valued according to their current fair market value and shall consist only of cash in United States dollars, certificates of deposit issued by a United States bank and payable in United States dollars, and investments permitted by the Insurance Code or any combination of the above, provided investments in or issued by an entity controlling, controlled by or under common control with either the grantor or the beneficiary of the trust shall not exceed five percent (5%) of total investments. The agreement may further specify the types of investments to be deposited. If the reinsurance agreement covers life, annuities or accident and health risks, then the provisions required by this paragraph must be included in the reinsurance agreement.

C. Permitted conditions.

(1) The trust agreement may provide that the trustee may resign upon delivery of a written notice of resignation, effective not less than ninety (90) days after receipt by the beneficiary and grantor of the notice and that the trustee may be removed by the grantor by delivery to the trustee and the beneficiary of a written notice of removal, effective not less than ninety (90) days after receipt by the trustee and the beneficiary of the notice,
provided that no such resignation or removal shall be effective until a successor trustee has been duly appointed and approved by the beneficiary and the grantor and all assets in the trust have been duly transferred to the new trustee.

(2) The grantor may have the full and unqualified right to vote any shares of stock in the trust account and to receive from time to time payments of any dividends or interest upon any shares of stock or obligations included in the trust account. Any such interest or dividends shall be either forwarded promptly upon receipt to the grantor or deposited in a separate account established in the grantor's name.

(3) The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution shall be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions which the trustee determines are at least equal in current fair market value to the assets withdrawn and that are consistent with the restrictions in Section 1.14Subsection (D)(1)(b) of this section.

(4) The trust agreement may provide that the beneficiary may at any time designate a party to which all or part of the trust assets are to be transferred. Such transfer may be conditioned upon the trustee receiving, prior to or simultaneously, other specified assets.

(5) The trust agreement may provide that, upon termination of the trust account, all assets not previously withdrawn by the beneficiary shall, with written approval by the beneficiary, be delivered over to the grantor.

D. Additional conditions applicable to reinsurance agreements.

(1) A reinsurance agreement, which is entered into in conjunction with a trust agreement and the establishment of a trust account, may contain provisions that:

(a) Require the assuming insurer to enter into a trust agreement and to establish a trust account for the benefit of the ceding insurer, and specifying what the agreement is to cover;

(b) Stipulate that assets deposited in the trust account shall be valued according to their current fair market value and shall consist only of cash of United States legal tender.
certificates of deposit issued by a United States bank and payable in United States legal tender, and investments of the types permitted by the Insurance Code or any combination of the above, provided that such investments are issued by an institution that is not the parent, subsidiary or affiliate of either the grantor or the beneficiary. The reinsurance agreement may further specify the types of investments to be deposited. Where a trust agreement is entered into in conjunction with a reinsurance agreement covering risks other than life, annuities and accident and health, then the trust agreement may contain the provisions required by this paragraph in lieu of including such provisions in the reinsurance agreement;

(eb) Require the assuming insurer, prior to depositing assets with the trustee, to execute assignments or endorsements in blank, or to transfer legal title to the trustee of all shares, obligations or any other assets requiring assignments, in order that the ceding insurer, or the trustee upon the direction of the ceding insurer, may whenever necessary negotiate these assets without consent or signature from the assuming insurer or any other entity;

(dc) Require that all settlements of account between the ceding insurer and the assuming insurer be made in cash or its equivalent; and

(ed) Stipulate that the assuming insurer and the ceding insurer agree that the assets in the trust account, established pursuant to the provisions of the reinsurance agreement, may be withdrawn by the ceding insurer at any time, notwithstanding any other provisions in the reinsurance agreement, and shall be utilized and applied by the ceding insurer or its successors in interest by operation of law, including without limitation any liquidator, rehabilitator, receiver or conservator of such company, without diminution because of insolvency on the part of the ceding insurer or the assuming insurer, only for the following purposes:

(i) To pay or reimburse the ceding insurer for:

(1) The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurer, to the owners of policies
reinsured under the reinsurance agreement because of cancellations of such policies;

(iII) To reimburse the ceding insurer for the assuming insurer's share of surrenders and benefits or losses paid by the ceding insurer pursuant to the provisions of the policies reinsured under the reinsurance agreement; and

(III) Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;

(iii) To fund an account with the ceding insurer in an amount at least equal to the deduction, for reinsurance ceded, from the ceding insurer liabilities for policies ceded under the agreement. The account shall include, but not be limited to, amounts for policy reserves, claims and losses incurred including losses incurred but not reported, loss adjustment expenses and unearned premium reserves; and

(iv) To pay any other amounts the ceding insurer claims are due under the reinsurance agreement.

(2) The reinsurance agreement may also contain provisions that:

(a) Give the assuming insurer the right to seek approval from the ceding insurer, which shall not be unreasonably or arbitrarily withheld, to withdraw from the trust account all or any part of the trust assets and transfer those assets to the assuming insurer, provided:

(i) The assuming insurer shall, at the time of withdrawal, replace the withdrawn assets with other qualified assets having a current fair market value equal to the market value of the assets withdrawn so
as to maintain at all times the deposit in the required amount or

(ii) After withdrawal and transfer, the current fair market value of the trust account is no less than one hundred two per cent (102%) of the required amount.

The ceding insurer shall not unreasonably or arbitrarily withhold its approval.

(b) Provide for:

(i) The return of any amount withdrawn in excess of the actual amounts required for Sections 11(D)(1)(e)(i), (ii) and (iii) paragraph (1)(d) of this subsection, or in the case of Section 11(D)(1)(e)(iv), any amounts that are subsequently determined not to be due; and for

(ii) Interest payments, at a rate not in excess of the prime rate of interest on such amounts on the amounts held pursuant to Section 11(D)(1)(e)(iii).

(c) Permit the award by any arbitration panel or court of competent jurisdiction of:

(i) Interest at a rate different from that provided in Section 11(D)(2)(b)(ii) subparagraph (b) of this paragraph,

(ii) Court or arbitration costs,

(iii) Attorney's fees and

(iv) Any other reasonable expenses.

(3E) Financial reporting. A trust agreement may be used to reduce any liability for reinsurance ceded to an unauthorized assuming insurer in financial statements required to be filed with this Department in compliance with the provisions of this Regulation when established on or before the date of filing of the financial statement of the ceding insurer. Further, the reduction for the existence of an acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but such reduction shall be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure.
(4F) Existing agreements. Notwithstanding the effective date of this regulation, any trust agreement or underlying reinsurance agreement in existence prior to the effective date of this Regulation will continue to be acceptable until ninety days from the effective date of this Regulation, at which time the agreements will have to be in full compliance with this Regulation for the trust agreement to be acceptable.

(5G) The failure of any trust agreement to specifically identify the beneficiary as defined in Subsection A of this section shall not be construed to affect any actions or rights which the Commissioner may take or possess pursuant to the provisions of the laws of this state.

Section 12  Letters of Credit Qualified Under Section 10

A. The letter of credit must be clean, irrevocable and unconditional and issued or confirmed by a qualified United States financial institution as defined in R.I. Gen. Laws § 27-1.1-3(a). The letter of credit shall contain an issue date and date of expiration and shall stipulate that the beneficiary need only draw a sight draft under the letter of credit and present it to obtain funds and that no other document need be presented. The letter of credit also shall indicate that it is not subject to any condition or qualifications outside of the letter of credit. In addition, the letter of credit itself shall not contain reference to any other agreements, documents or entities, except as provided in Subsection (I)(1) of this section below. As used in this section, "beneficiary" means the domestic insurer for whose benefit the letter of credit has been established and any successor of the beneficiary by operation of law. If a court of law appoints a successor in interest to the named beneficiary, then the named beneficiary includes and is limited to the court appointed domiciliary receiver including conservator, rehabilitator or liquidator.

B. The heading of the letter of credit may include a boxed section containing the name of the applicant and other appropriate notations to provide a reference for the letter of credit. The boxed section shall be clearly marked to indicate that such information is for internal identification purposes only.

C. The letter of credit shall contain a statement to the effect that the obligation of the qualified United States financial institution under the letter of credit is in no way contingent upon reimbursement with respect thereto.

D. The term of the letter of credit shall be for at least one year and shall contain an "evergreen clause" which prevents the expiration of the letter of credit without due notice from the issuer. The "evergreen clause"
shall provide for a period of no less than thirty (30) days' notice prior to the expiration date or nonrenewal.

E. The letter of credit shall state whether it is subject to and governed by the laws of this state or the Uniform Customs and Practices for Documentary Credits of the International Chamber of Commerce (Publication 4600) (UCP 600) or International Standby Practices of the International Chamber of Commerce Publication 590 (ISP98), or any successor publication, and all drafts drawn thereunder shall be presentable at an office in the United States of a qualified United States financial institution.

F. If the letter of credit is made subject to the Uniform Customs and Practices for Documentary Credits of the International Chamber of Commerce (Publication 4500), or any successor publication, then the letter of credit shall specifically address and provide for an extension of time to draw against the letter of credit in the event that one or more of the occurrences specified in Article 197 of Publication 4500 or any other successor publication, occur.

G. The letter of credit shall be issued or confirmed by a qualified United States financial institution authorized to issue letters of credit, pursuant to R.I. Gen. Laws § 27-1.1-3(a).

HG. If the letter of credit is issued by a qualified United States financial institution authorized to issue letters of credit, other than a qualified United States financial institution as described in subsection 12(G)A of this section above, then the following additional requirements shall be met:

(1) The issuing qualified United States financial institution shall formally designate the confirming qualified United States financial institution as its agent for the receipt and payment of the drafts.

(2) The "evergreen clause" shall provide for thirty (30) days' notice prior to expiry date for nonrenewal.

IH. Reinsurance agreement provisions.

(1) The reinsurance agreement in conjunction with which the letter of credit is obtained may contain provisions which:

(a) Require the assuming insurer to provide letters of credit to the ceding insurer and specify what they are to cover.
(b) Stipulate that the assuming insurer and ceding insurer agree that the letter of credit provided by the assuming insurer pursuant to the provisions of the reinsurance agreement may be drawn upon at any time, notwithstanding any other provisions in the agreement, and shall be utilized by the ceding insurer or its successors in interest only for one or more of the following reasons:

(i) To reimburse the ceding insurer for

(I) The assuming insurer's share under the specific reinsurance agreement of premiums returned, but not yet recovered from the assuming insurers, to the owners of policies reinsured under the reinsurance agreement on account of cancellations of such policies;

(ii) To reimburse the ceding insurer for

(II) The assuming insurer's share under the specific reinsurance agreement of surrenders and benefits or losses paid by the ceding insurer, but not yet recovered from the assuming insurers, under the terms and provisions of the policies reinsured under the reinsurance agreement; and

(III) Any other amounts necessary to secure the credit or reduction from liability for reinsurance taken by the ceding insurer;

(ii) Where the letter of credit will expire without renewal or be reduced or replaced by a letter of credit for a reduced amount and where the ceding insurer claims are due assuming insurer’s entire obligations under the reinsurance agreement remain unliquidated and undischarged ten (10) days prior to the termination date, to withdraw amounts equal to the assuming insurer’s share of the liabilities, to the extent that the liabilities have not yet been funded by the assuming insurer and exceed the amount of any reduced or replacement letter of credit, and deposit those amounts in a separate account in the name of the ceding insurer in a qualified U.S. financial institution apart from its general assets, in trust for such uses and purposes specified in Subsection H(1)(b)(i) of this section as may remain
after withdrawal and for any period after the termination date.

(iii) To fund an account with the ceding insurer in an amount at least equal to the deduction, for reinsurance ceded, from the ceding insurer's liabilities for policies ceded under the agreement (such amount shall include, but not be limited to, amounts for policy reserves, claims and losses incurred and unearned premium reserves); and

(iv) To pay any other amounts the ceding insurer claims are due under the reinsurance agreement.

(c) All of the foregoing provisions of paragraph (1) of this subsection 12(I)(1) should be applied without diminution because of insolvency on the part of the ceding insurer or assuming insurer.

(2) Nothing contained in Section 12(I) Paragraph (1) of this subsection shall preclude the ceding insurer and assuming insurer from providing for:

(a) An interest payment, at a rate not in excess of the prime rate of interest, on the amounts held pursuant to 12(I) subparagraph (1)(b)(iii) of this subsection; and/or

(b) The return of any amounts drawn down on the letters of credit in excess of the actual amounts required for the above or, in the case of Section 12(I)(1)(b)(iv) of this subsection, any amounts that are subsequently determined not to be due.

(3) When a letter of credit is obtained in conjunction with a reinsurance agreement covering risks other than life, annuities and health, where it is customary practice to provide a letter of credit for a specific purpose, then the reinsurance agreement may, in lieu of Section 12(I)(1)(b), require that the parties enter into a "Trust Agreement" which may be incorporated into the reinsurance agreement or be a separate document.

J. A letter of credit may not be used to reduce any liability for reinsurance ceded to an unauthorized assuming insurer in financial statements required to be filed with this department unless an acceptable letter of credit with the filing ceding insurer as beneficiary has been issued on or before the date of filing of the financial statement. Further, the reduction for the letter
of credit may be up to the amount available under the letter of credit but
no greater than the specific obligation under the reinsurance agreement
which the letter of credit was intended to secure.

Section 13  **Other Security**

A ceding insurer may take credit for unencumbered funds withheld by the ceding
insurer in the United States subject to withdrawal solely by the ceding insurer and under
its exclusive control.

Section 14  **Reinsurance Contracts**

Credit will not be granted, **nor an asset or reduction from liability allowed**, to a
ceding insurer for reinsurance effected with assuming insurers meeting the requirements
of Sections 54, 65, 76, 87, 8 or 10 of this Regulation or otherwise in compliance with
R.I. Gen. Laws § 27-1.1-1 after the adoption of this Regulation unless the reinsurance
agreement:

A. Includes a proper insolvency clause, **which stipulates that reinsurance is
payable directly to the liquidator or successor without diminution
regardless of the status of the ceding company** pursuant to the General
Laws of Rhode Island, as amended; and

B. Includes a provision pursuant to R.I. Gen. Laws § 27-1.1-1(Gh) whereby
the assuming insurer, if an unauthorized assuming insurer, **if an
unauthorized assuming insurer**, has submitted to the jurisdiction of an
alternative dispute resolution panel or court of competent jurisdiction
within the United States, has agreed to comply with all requirements
necessary to give such the court or panel jurisdiction, has designated an
agent upon whom service of process may be effected, and has agreed to
abide by the final decision of such the court or panel.; and

C. **Includes a proper reinsurance intermediary clause, if applicable, which
stipulates that the credit risk for the intermediary is carried by the
assuming insurer.**

Section 15  **Contracts Affected**

All new and renewal reinsurance **contracts and** transactions entered into after
December 18, 1992 shall conform to the requirements of the Act and this Regulation if
credit is to be given to the ceding insurer for such reinsurance.
