CONSENT AGREEMENT

The Division of Commercial Licensing (“Division”) of the Rhode Island Department of Business Regulation (“Department”) enters into this Consent Agreement (“Agreement”) with East Coast Auto Sales, Inc. d/b/a Courtesy Collision Center (“Respondent”) to resolve the above-captioned matter pursuant to its authority under R.I. Gen. Laws § 42-35-9(d).

It is hereby agreed by and between the Division and the Respondent that:

1. Respondent is a business located at 262 Broadway, Pawtucket, Rhode Island 02860, with Jamie Turmel serving as the sole officer and director.
2. Respondent held a full collision auto body repair license issued by the Division (“License”).
3. On December 17, 2013, the Department issued a Decision and Order to Cease and Desist (“Decision”) in which the Respondent was defaulted for failure to appear despite adequate notice.
4. The Decision concluded that the License renewal application, which was found to be untimely and insufficient, was denied. The Respondent was ordered to cease

and desist from auto body repair work until such time as may Respondent obtain a valid license to do so.

5. The Division agrees to reinstate Respondent's License upon the following conditions precedent:
 - A. Respondent must pay an administrative penalty of \$1000.00. Payment shall be made by check or money order to "General Treasurer, State of Rhode Island."
 - B. Respondent must complete all remaining renewal application requirements, including, but not necessarily limited to, providing a valid certificate of insurance in the amounts required by law and submitting technician certifications and proof of courses taken.
6. If the Respondent has not achieved full compliance with Commercial Licensing Regulation 16 *Motor Vehicle Body Repair Technician Certification* ("CLR 16"), the License reinstatement shall only be granted on the condition that the Respondent must satisfy the requirements of CLR 16 sixty (60) days from the date that this Agreement is executed. If this condition applies, the Respondent understands that failure to achieve full compliance within 60 days may result in suspension, revocation, or other disciplinary action without a hearing. If the Respondent cannot fulfill the course requirements due to the non-availability of the required courses and through no fault of his own, the Division may extend the time to comply.
7. Respondent voluntarily waives any right to an administrative hearing and appeal to Superior Court under the Rhode Island Administrative Procedures Act, R.I. Gen. Laws § 42-35-1 *et seq.*

8. If Respondent fails to abide by the requirements of this Consent Agreement, the Department may initiate further administrative proceedings against the Respondent.
