

EMAIL COMMUNICATION ACKNOWLEDGEMENT

By signing the below, you acknowledge that the main form of communication from the Department of Business Regulation (DBR) regarding your liquor license will be via the email address you have supplied to DBR, and that it is your responsibility as a liquor licensee to maintain the email address on file up to date and accurate, and monitor said email to take any actions required. This is important, for example, because all renewal notices are sent by email, and failure to renew results in a late fee payment.
