

Ingestibles

Packaging Requirements

Packaging must be:

- Opaque.
- Light-Resistant.
- Neutral in Color.
- Certified as Child-Resistant.
- Resealable in a Child Resistant manner unless the package contains a single-serving edible or ingestible.

Confirm the Packaging:

- Protects the product from contamination.
- Does not impart any toxic or deleterious substance to the product.
- Fully encloses the product.
- Does not contain any design, image, label or coloring that was not approved or required by the OCR.
- Contains a measuring device such as a measuring cap, cup. Hash marks on the package do not qualify as a

Neutral Color

Pursuant to Section 1.5.2(B)(1) of the Regulation, packaging must be of a neutral color. Neutral colors include but are not limited to black, white, gray, beige, brown, and tan. Neutral colors do not include primary and secondary colors (such as red, orange, yellow, green, blue, or purple) or any variant of primary or secondary colors.

Packaging may:

- Contain multiple neutral colors
- Contain multiple approved logos and graphics that are colored (not defined as neutral) so long as each individual approved logo and/or graphic is smaller than the required universal symbol.

Pursuant to Section 1.5.3(E)(5) of the Regulation, a DBR-selected universal warning symbol must appear on the front or most prominently displayed area of the package, no smaller than one (1) inch by one (1) inch and pursuant to Section 1.5.5(B)(1)(a) an approved logo or graphic must not be larger than the required universal symbol.

Ingestibles

Package Warning Label Requirements

Retail-Ready Cannabis Products (Medical and Adult Use)

Warnings on **all retail-ready marijuana products** must adhere to the following font requirements:

1. Be in the English language.
2. Be in Times New Roman, Calibri, Arial, Helvetica or any other font that can be easily read.
3. Be in text no smaller than size 8 font and **bolded**.
4. Be displayed in a bright yellow box as to stand out from other labeling requirements.
5. Not be covered or obscured.

Warnings may be stated in a peel-back accordion, expandable, or extendable style so long as the label can be easily identified by a consumer as containing important information as follows:

- ◇ The exposed portion of the peel-back label must clearly indicate that it contains a warning.
- ◇ The exposed portion of the peel-back label must be displayed in the bright yellow box; and
- ◇ The exposed portion of the peel-back label must comply with all other requirements stated above.

These Required Warnings must be on the package:

1. “Warning: This product contains marijuana. Store in a securely locked cabinet away from children.”
2. “Warning: It is unlawful to transport this product outside of Rhode Island.”
3. For marijuana infused products, product packaging must state in slightly larger or bolded font as to stand out from surrounding text, with priority placement:
 - “Effects of this product may be delayed by 3 or more hours.”

“Warning: This product contains marijuana. Store in a securely locked cabinet away from children.”

“Warning: It is unlawful to transport this product outside of Rhode Island.”

“Effects of this product may be delayed by 3 or more hours.”
